ALBERT H. DELLIVENERI,
DANIEL A. MURPHY,
Auditors.

**RUTLAND TOWN SCHOOL DISTRICT
REPORT OF THE SCHOOL DIRECTORS
AND SUPERINTENDENT**

As of July 1, 1963, a new Union School District was authorized by the State Board of Education, consisting of the Towns of Proctor and Rutland for the school year July 1, 1963 to June 30, 1964. Starting July 1, 1964, the Town of West Rutland will be added to the District.

Due to the resignation of Superintendent Frank O. Stiles, it was necessary to secure a replacement. We were indeed fortunate in being able to employ Mr. Geoffrey Graham of Bennington, Vermont to serve the new District as Superintendent for the present school year.

Early in the summer, the Directors and the Superintendent inspected all of the schools to determine the amount of work to be done in order to bring the buildings into satisfactory condition for the following school year. There follows a listing of the principal work done.

Center Rutland School

For many years, we have involved considerable expense in maintaining the heating system. After consulting a heating engineer, it was decided to change the system from steam to hot water and to replace all of the radiation, which was found to be in bad condition.

All floors and walls were thoroughly cleaned, and the floors were resealed. Some interior painting was done. Where needed, the fence was repaired and spots in the yard were filled.

Cheney Hill School

All floors were cleaned and sealed and the walls washed. Some minor repairs were made.

Dyer School

All floors were cleaned and resealed and the walls washed. The basement recreation room and other parts of the building were painted where necessary.

Additional chairs were purchased.

Haiti School

All floors were cleaned and resealed and the walls washed. Some minor repairs were made.

Additional chairs were purchased.

Other school activities:

Center Rutland School. Mrs. George Miglis, school health chairman, reported three clinics for the past year: for the school children in January and October, for pre-schoolers in May. 85 school children received immunizations, 15 school children were given physicals, 15 pre-school children were given immunizations, and 318 individuals received the Sabin vaccine in Rutland Town. Our thanks to to these hard working clinic volunteers.

Our warmest thanks also go to Mrs. William Sharp, school lunch chairman, for all the time and hard work she has put into successfully managing the school lunch program. We also appreciate the financial assistance given this project by the Center Rutland Athletic Club. During the year, 7700 meals were served to students and 397 to adults.

This past year, we have used educational television to good advantage. All teachers had opportunity to enrich their classes with the weekly half-hour programs on science, modern mathematics, art and history. We also viewed such history making events as the assassination of the President, space flights, and the State of the Union Address.

By participating in such activities as assemblies, student council, monitor system, safety patrol, the students have learned to solve many individual and group problems through self-discipline, leadership development and respect for authority. Other activities include glee club, plays, annual music festival, state essay contests.

We had seven district entries in the State forestry essay contest. Andrea Burke won second prize, Marion Hathaway honorable mention.

Many parents came to observe classes at the school during American Education Week and also attended the P.T.A. "Know Your School" program, at which the teachers discussed the school's philosophy, curriculum, programs, subjects and activities.

Miss Carol Werchenski, Mr. David Murray and Miss Cathy Dwyer, seniors at Castleton State College, student taught for nine weeks at the school.

The sixth, seventh and eighth grades took a field trip to Castleton to view the National Watercolor Exhibit at the college. While there, they also toured the institution's facilities. The same students later held their own art exhibit in the Town Hall for parents and students.

Cheney Hill School. There is, at present, an enrollment of 30 pupils in grades one, two and three at the Cheney Hill School.

During the past year, the pupils have participated in many varied activities, in addition to the regular school work, which have encouraged good training in leadership, cooperation and the sharing of responsibilities. These activities have included parties on special days, such as Valentine's Day and Halloween, when committees of pupils have managed decorations, entertainment and refreshments quite independently.

Other worthwhile activities have been a field trip to Rutland City to visit the Rutland Free Library and the Rutland Fire Station, a "Treasures of Nature Contest" in the autumn and a "Wild Flower Contest" in the spring months. We also held the annual school picnic in June.

During American Education Week, several parents visited the school to observe demonstration lessons in modern mathematics.

Each week, a high point is reached when Mrs. Doris Geno conducts her valuable and enjoyable music program.

Our school lunch program was resumed in November. Much credit is due Mrs. George Livak, agent, and Mrs. Carlton Champine, who prepares the nourishing lunches served daily to 29 children and one adult.

We are also happy to report that the health program has been successful. The children have had sight and hearing tests conducted by volunteer P.T.A. members. A health clinic was held at our school in December. We want to express appreciation to our P.T.A. health chairman, Mrs. William Thomas, for all she has done, and also to the mothers who have assisted.

As always, the Cheney Hill P.T.A. continues to work faithfully for the good of our school, for which the teacher and pupils are grateful.

Dyer School. The Dyer School Parents Club has sponsored the school lunch program, school dances and the annual school picnic at Lake Dunmore. In addition, the Club has generously assisted at health clinics, given ear and eye tests, and has been generally most helpful. The annual Parents Club "Variety Show," held in March at the Mendon Grange, was again a tremendous success. Both evenings were well attended, and the show was thoroughly enjoyed.

The School Safety Patrol, under the guidance of trooper Yeaw of the Vermont State Police, has done a marvelous job in protecting school children traveling along Route 7 and the Cold River Road.

The class visited the Rutland Free Library during American Book Week. Mrs. Howard Douglas, children's librarian, explained many new books and the use of the library to the children. A field trip to Bald Mountain was most interesting in the study of nature lore.

The Student conducts monthly meetings and arranges all school activities. These include: Halloween party, Christmas activities, Memorial Day program, Scouting program, Lincoln's Birthday exercises and a going away party for the 7th grade, who transfer to the Center Rutland School in September.

The agent for the school lunch program is Mr. George DuBray, while Mrs. Lena Moulton is responsible for preparing and serving daily lunches to the students. During the year, 3,855 lunches were prepared.

Three students from Castleton State College did their practice teaching at Dyer School.

Haiti School. All pupils participated in the spring music festival.

The Manning prizes for outstanding school work were presented to the children at the end of the year by Mrs. Rex Bain.

Health clinics and ear and eye tests have been conducted by the Health Committee of the Community Club. The members also contributed generously of time and effort to the lunch program and to our parties.

This year, we have been fortunate in having a bank messenger, Mrs. Donald LeFrancois, so that the children could have their own bank accounts in the school savings plan. This is a valuable lesson for them.

Mrs. Frances Gannette painted road signs and made brightly colored jumpers for the children to wear as they walk to and from school, along busy Route 4 and other roads.

A special program, featuring soil conservation, was presented during American Education Week. Many of the parents came to visit the school at this time.

Superintendent's Report

Having been with the Rutland Town Schools less than a year, there is much that remains for me to learn about the town, and many people whose acquaintances I have not made. I look forward in the months to come to doing both.

Approximately a year ago, the teachers, working with Mr. Stiles and the School Board, decided upon a challenging but time-consuming study of the Rutland Town Schools. This study begins with the teachers taking careful scrutiny of each aspect of the school program, the material they teach, the way it is taught, the buildings themselves, the auxiliary services such as library, health, physical education program, and the instruction in special areas such as music and art.

This careful self-study will proceed twice each month, January through May, and the Board has granted permission to hold "solid session" days the second and fourth Thursday so that the afternoon meetings can be thorough and intensive.

In these meetings, and in the many contacts almost daily with one or more of the teachers, the friendliness, enthusiasm and generous hard work each puts into his teaching are exciting to witness. Despite the handicap of the town's circular, doughnut-like geography, the teachers and the students have a warm and effective morale.

This same spirit is evident in many of the meetings of the parents held in the various schools. It is my earnest wish that parents realize how very important such interest is to the continuing development of what already are fine programs of education now available to the girls and boys in our schools.

In addition to the parents who serve so effectively on the various health, school lunch and other necessary committees, appreciation goes to six citizens who are meeting with the teachers as lay members of the school-study work: Mrs. Shirley M. Booth, Mrs. Wallace K. Fish, Mrs. Walter Patch, Mrs. Vernon

Loveland, Mr. William Bradder and Mr. Orin Thomas, Jr. The schools function more effectively because of the help of so many willing volunteers.

The problems to be faced by the School Directors appear to be increasing. The current emergency session of the State Legislature to consider a revised State Aid formula for school support, and the Report of the Governor's Task Force on Education, are not only of local concern but also appear likely to have an impact on all Vermonters.

It is a genuine privilege and pleasure to work with your School Directors. They, and the Superintendent, appreciate the general and growing interest in education and in its problems. To preserve our heritage, we need an ever-widening number of citizens who take the time and effort to become informed, and who have the courage and the vision to lead, and to follow, as problems of budget and program are reconciled with the unprecedented demands of a sweepingly new future—the tomorrow we face will be the today in our children's world.

In order that your Board may give annual consideration to the needs for additional class room space, a census is taken of pre-school children in the town. The results of this census make it possible to plan the allocation of children to their particular class rooms in the four schools. The results of the census taken in 1963 are given below:

| | 1964 | 1965 | 1966 | 1967 | 1968 |
|----------------|----------|----------|----------|----------|----------|
| Center Rutland | 10 | 11 | 7 | 13 | 8 |
| Cheney Hill | 15 | 10 | 15 | 11 | 9 |
| Dyer | 2 | 5 | 4 | 5 | 0 |
| Haiti | 5 | 7 | 7 | 9 | 8 |
| | <hr/> 32 | <hr/> 33 | <hr/> 33 | <hr/> 38 | <hr/> 25 |

At the last Town Meeting, your Board was authorized to obtain one or more options to purchase suitable land, approved by the State Board of Education, as site for a new school building. Such option has been obtained on available land located on Post Road. The Board circularized the voters by special letter, requesting their suggestions as to available land. The Warning for the next Town Meeting will include an article in reference to the above land and will give opportunity for every voter to express his desire as to the purchase of same.

The P.T.A. and other parent groups continue to give of their time and funds for many projects, including the hot lunch program. Due to some of the groups being short of funds to start their programs, your Board advances reasonable amounts to those in charge of the hot lunch program, with the understanding that they continue to raise money to cover the costs, and at the end of the year any funds not expended be returned to the Board up to the amounts advanced.

The cost of educating the students in our town is ever increasing. In the 1951-52 school year, our estimated cost was \$51,012.94, and for the 1964-65 school year, our budget shows a cost of \$132,680.00.

For many years, we have received State Aid in various amounts. In 1963, our portion was \$26,656. For some time, the State Legislature has attempted to authorize a different method of distributing State Aid. The Legislature is now in special session, and one of the principal matters to have attention is school aid. Should the plan now proposed be adopted, it would mean that our portion of State Aid would be reduced to \$10,507, a loss of \$16,149 from last year's allotment. Because of the uncertainty of State Aid, your Board recommends that two tax rates be authorized at the Town Meeting, both being sufficient to cover the cost of the continued employment of competent teachers, transportation, tuition for students wanting higher education, as well as keeping our school buildings in good condition.

Therefore, your Board suggests that a tax of \$3.35 be voted, assuming that the State Aid would be about the same as in recent years, and a tax of \$3.89 if State Aid is reduced according to the new plan now being considered by the State Legislature, with the understanding that the tax may be adjusted between the above two rates depending on the final amount granted by law.

We express our appreciation to the P.T.A. and parents groups in the several districts, to the teachers for their loyal and efficient services, and to all others who in any way contributed to the successful operations of our schools.

Respectfully submitted,

ALVA T. HOWE,
VERONICA GUIMOND,
WILLIAM B. THOMAS,

School Directors.

GEOFFREY GRAHAM,

Superintendent.

VERMONT DEPARTMENT OF SOCIAL WELFARE

MONTPELIER, VERMONT

This twenty-eighth in the series of annual reports submitted to the people of Rutland Town presents tabulations for the calendar year 1963. In the Department of Social Welfare's program of assistance to the aged, blind or disabled 30% of the costs of hospital and physician services, as well as the excess over \$80.00 per month in Nursing Home care, are assessed against the town of settlement of the recipients of such care. Participation charges incurred by your community during the past year for each of these types of care were as follows:

| | |
|--------------------------|----------|
| Nursing Home Care | \$334.68 |
| Hospitalization Services | \$99.92 |
| Physician Services | \$62.10 |

Under similar settlement provisions town participation in the program of Aid to Families with Dependent Children is at the rate of one-eighth the assistance grants while costs incurred for the care of Committed Children are borne equally by the local and state agencies. Charges assessed against your community for the former amounted to \$248.42 and for the latter none for the year just closed.

During 1963 assistance was granted to 15 residents in your community under the Aid to the Aged, Blind or Disabled program. Direct money payments to these persons were financed entirely out of state-federal funds. Among the other programs financed from these same sources were Services for the Blind, Adoption Services and Medical Aid for the Aged. While no town-by-town records are compiled for these categories, their benefits were available to all qualified residents.

Respectfully submitted,

JOHN J. WACKERMAN,

Commissioner of Social Welfare.

VERMONT STATE DEPARTMENT OF HEALTH

ANNUAL TOWN REPORT, 1963

This is a report to the people of Rutland Town describing the health services which they have received during 1963 (October 1, 1962-September 30, 1963). These services have been planned carefully so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town, we make every attempt to provide it. The understanding of how your health department serves your town is valuable information for you to have. Any time which you spend studying this report will be most well spent.

I invite you to discuss this report with your friends and health officer, and I would welcome any impressions which you care to forward to me.

The list of services to the town of Rutland is as follows:

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Number served at Child Health Examinations..... | 111 |
| Nutrition, dietary consultations to institutions, groups, individuals..... | 10 |
| Pediatric consultations for Child Health problems..... | 1 |
| Number of children given diagnostic service at hospitals.. | 1 |
| Number of children aided at handicapped children's clinics for speech and hearing, orthopedic, plastic, neurologi- cal, cardiac problems..... | 3 |
| Number of children financially aided with hospitalization.. | — |
| Number of children served by mental retardation clinics.. | 7 |
| People X-rayed for tuberculos detection..... | 3 |
| DTP (diphtheria, tetanus, whooping-cough) immuni- zations..... | 53 |
| Polio immunizations (Salk injection or Sabin oral) at clinics..... | 420 |

| | |
|--------------------------------------------------------------------|-----|
| Number of water samples tested (private and public supplies)..... | 35 |
| Food and dairy products tested..... | — |
| Blood specimens (pre-marital, pre-natal and other)..... | 33 |
| Other laboratory specimens..... | 7 |
| Sanitary inspections, consultations (food and lodging, camps)..... | 41 |
| Water, sewage, disposal public building and other inspections..... | 32 |
| People X-rayed for occupational diseases..... | 15 |
| Hospital and nursing home inspections and consultations.. | — |
| Dental health education, number of children served in schools..... | — |
| Number served by tumor clinics..... | — |
| Public Health Nurse home visits..... | 103 |
| Number served by Public Health Nurse visits..... | 11 |

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.,
Commissioner of Health.

TOWN HEALTH OFFICER'S REPORT

The year 1963 has brought to view two major public health problems in our town.

(1) The problem of proper sewerage disposal and healthy water supply for all new dwellings and business establishments, as well as a renewed effort to improve these facilities in the older homes and establishments.

As a Rutland Town Board of Health, your Selectmen and I have worked toward this goal. However, we feel that a word of explanation is in order. It is becoming more evident that as the town grows in size, so do the rules and regulations in order to protect each other. After being exposed to some of the health problems created by poor planning, we feel justified in requiring that all property development, whether for building or some other purpose, be acceptable to the Selectmen and Health Officer for the good of all the community, both now and in years to come. We are restricting these permits to a period of six months. I'm sure that most people understand our concern and want to cooperate.

(2) In the past year several foxes have been found to be rabid in the northern areas of Vermont. Experience with rabies in other places indicates that it will probably spread throughout our state. Up to the present the disease has been limited largely to foxes, but rabies has spread to other animals. Dog vaccination has been encouraged because many dogs come in contact with both foxes and people. Therefore, a dog vaccination is really protection for humans.

Some precautions which you should take are:

1. Vaccinate your dog or dogs against rabies (now necessary for licensing).
2. Reduce the fox and skunk population as they are vectors.
3. Dispose of refuse and garbage properly so that it will not attract stray animals.
4. Board up openings under buildings which might give refuge to foxes and skunks.
5. Don't hesitate to notify your Health Officer or Selectmen of strange actions on the part of fox, skunks, dog or other animal. We've had good co-operation between, Humane Society, Veterinarians, Regulatory Officials and Health Department.

Sincerely, DONALD F. ICKEN, D.V.M.,
Health Officer, Rutland Town.

FIRE WARDEN'S REPORT

For building fires call—773-2193

For forest and brush fires } George Livak
and burning permits call } 773-6798

1963 Fire Report

| | |
|--------------------------|----|
| Number of permits issued | 16 |
| Number of forest fires | 9 |
| Acres burned | 72 |

The Pine Hill Fire burned over 70 acres costing the State and Towns of Proctor and Rutland a total of \$5,857.51.

Law Pertaining to Brush Fires

"Fires kindled for the purpose of burning brush or for other lawful purpose shall be kindled only at such times and under such conditions as will enable the parties starting them to keep them entirely under control. Except as provided in this section, a person shall not kindle or authorize another to kindle a fire in the open air for the purpose of burning brush, weeds, grass or rubbish of any kind except where there is snow on the site, without first obtaining permission from the fire warden or deputy warden of the town, or the state forester, or his deputy, stating when and where such fire may be kindled. Whenever such permission is granted, such warden, or state forester or his deputy, within twelve hours, shall issue a written permit for record purposes stating when and where such fire may be kindled. Such permission shall not be required for the kindling of a fire in a location which is 200 feet or more from any woodland, timberland or field containing dry grass or other inflammable plant material contiguous to woodland."

Respectfully submitted,

GEORGE LIVAK,

Fire Warden.

Dump Hours for Use of Town Residents at Rutland City Dump

7:30 A.M. to 5:30 P.M. Except Sundays

Closed Christmas, New Year's and Thanksgiving,

Other Holidays Open 7:30 A.M. to 12 Noon

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland, on Tuesday, March 3, 1964 at Ten O'clock A. M. to act on the following matters, namely:

1. Choose all necessary officers required by law.
2. Shall the Town vote to raise money by tax or otherwise to pay current expenses of the Town, Overseer of the Poor, Highway and County? If by tax, how much?
3. When and to whom shall the taxes be due and payable?
4. Shall licenses for the sale of Malt and Vinous beverages be granted in this Town?
5. Shall Spirituous Liquors be sold in this Town?
6. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
7. Shall the Town vote to take advantage of the Town Highway appropriation granted to the towns by the State, provided the Town spends not less than (\$50.00) Fifty Dollars per mile of their own money on Town roads outside of winter maintenance as provided by Sec. 19 No. 250 Public Acts of 1957, as amended?
8. Shall the Town vote its officers salaries? If so, how much?
9. Shall the Selectmen be authorized to enter into an agreement with the City of Rutland, for the use of the City Dump, based on population, at the rate of 40¢ per person with the minimum of not less than (\$500.00) Five Hundred Dollars annually, subject to the rules and regulations governing the Rutland City Dump?
10. Shall the Town vote to appropriate the sum of (\$300.00) Three Hundred Dollars to be used in cooperation with State and Federal funds for controlling the spread of white pine blister rust in the Town of Rutland?
11. Will the Town instruct the Auditors of the Town to employ the services of an accountant from the office of the Auditor of Accounts as provided for in section 1692 and sections 1693-1697 of title 32 V.S.A. to conduct and audit of the accounts of this Town?
12. Shall the Town School District vote to raise money by tax or otherwise, to pay current expenses of the School District? If so, how much?
13. Shall the School Board be Authorized to borrow money in anticipation of taxes?
14. Shall the Town School District pay tuition for the higher education for the Scholars of said district?

15. Shall the Board of School Directors for Rutland Town be authorized to exercise an option, which they have obtained from the Central Vermont Public Service Corporation, whereby said Corporation would sell to the Rutland Town School District 15½ acres of land located on Post Road, Rutland, for the sum of (\$2700.00) Twenty Seven Hundred Dollars. Said land is located on the north side of Post Road, directly across the road from the so-called Adams property. It has width of 795 feet on the Post Road and depth of 848 feet on the East line and 1270 feet on the West line. The option states that the land must be used for school purposes, and if, within three years from date of option, a school building has not been erected, the land must be returned to the Central Vermont Public Service Corporation, and the purchase price paid by the School Board be refunded?

16. Shall the Town School District vote to raise a tax of (9¢) nine cents on the grand list to defray the cost of securing the option on school land, subject to vote on article 15?

17. Shall the Town vote to place its burial grounds under the charge of Cemetery Commissioners as provided for in Sec. 5373 Title 18 Vermont Statutes Annotated?

18. Shall the Town vote to approve an appropriation of (\$1500.00) Fifteen Hundred Dollars to secure the use of Rutland Free Library to the inhabitants of the Town?

19. Shall the Town School District authorize the School Directors to make fire safety improvements by providing a second exit for the Girls' rest room at the Center Rutland School, and install emergency lights in all Town Schools at a cost of (\$2500.00) Twenty Five Hundred Dollars as ordered by the Insurance Underwriter Safety Engineer and thereby make the Town School District eligible for a State Aid Award of 30% of the cost?

20. Shall the Town School District vote a sum of money, not to exceed \$80.00, for a scholarship to be awarded a worthy high school graduate of Rutland Town, who wishes to enter an institution of higher learning, particularly a teachers' training college?

21. Shall the Town vote to raise (\$500.00) Five Hundred Dollars for equipment for the Civil Defense and the Fire Warden.

22. To transact any other necessary, legal and proper business which may come before said meeting?

Articles 2, 3, 8, 12, 14, 16, will not appear on the Australian Ballot and will be taken up at 1:30 P. M. The Polls will close at 3:00 P.M.
